Further information when personal advice is given

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (**SOA**).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (**PDS**), unless you already have an up to date PDS from the insurer. The PDS will contain information about the particular policy, which will enable you to make an informed decision about purchasing that policy.

How will I pay for the services provided?

For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges and levies. PSC MHIB often receives a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to PSC MHIB by the insurers. In some cases, you will also be charged a fee. Which will be shown on the invoice that is sent to you.

You can choose to pay for our services by any of the payment methods set out in the invoice. You are required to pay PSC MHIB within the time set out on the invoice.

When you pay us your premium it will be banked into PSC MHIB's trust account. We will retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

If there is a refund of premium owed to you because of a cancellation or alteration to a policy, we will retain any fee we have charged you. We may also retain our commission from any premium that is refunded to you by an insurer. We will deduct any unpaid fee or retained commission from the refunded premium before sending the difference to you.

How are any commissions, fees or other benefits calculated for providing the financial services?

PSC MHIB's commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = PSC MHIB's commission

Y% = the percentage commission paid to PSC MHIB by the insurer. Our commission varies between 0% and 30%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be:

- An administration fee in addition to commission when you enter into an insurance policy.
- A flat fee for arranging an insurance policy or a fee based upon the time we spend advising you.
- An annual management fee.

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 0% to 25% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid a market salary that may include bonuses based on performance criteria.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

Do you have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

Premium funders

If we arrange premium funding for you we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or changes). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0% to 4% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you.

Profit share arrangements

We may, from some insurers, receive profit share payments at the end of a financial year based upon the overall performance of the portfolio of business placed with them. We do not pass on any profit share received by us to employees as a bonus/profit share.
